KEYSTONE STATE NURSERIES

"Keystone Nurseries"

PITTSBURGH, PENNA.

Our stock is all shipped direct from our Nurseries to the planter whether ordered by mail or from our representatives.

NEW LOWER WHOLESALE PRICES

In effect February 15, 1924, subject to change without notice

"BUY FROM US ONCE AND YOU WILL BUY AGAIN"

We give our customers good measure—running over—One Hundred Cents on the Dollar. Our stock is guaranteed strictly first class.

References, any Bank or Commercial Agency in the world.

OUR GOODS DELIVERED TRANSPORTATION CHARGES PREPAID on all orders of \$5.00 and up, unless otherwise specified, to points east of the Mississippi River and north of Tennessee and the Carolinas. Proportionate charges to points beyond.

WARRANTY:—In the event that any nursery stock sold by us should prove untrue to name under which it is sold, we hereby agree, on proper proof of such untruthfulness, to replace such stock with 6% additional stock. Except for such liability, we give no warranty, express or implied, as to description, quality, growth, productiveness, or any other matter.—Keystone State Nurseries.

CHANGES IN ORDERS:—In case, on receipt of order, we are sold out on any item, and it is necessary to make any changes in size or variety ordered, varieties similar in kind and season and of equal or greater merit will be selected by us, and correctly labelled, unless customer specifically instructs us not to do so.

HOW TO FIGURE PRICES. Each Rate—less than 10 trees go at "each" rate. 10 Rate—10 or more go at the 10 rate price. 100 Rate—30 or more trees go at 100 rate price. 1000 Rate—300 or more of a kind (as 300 apple, 300 pear, 300 peach, etc.) go at the 1000 rate price. The same applies to all other trees and plants.

SPECIAL ESTIMATE ON LARGE ORDERS. If you contemplate larger quantities than priced herein submit list of stock wanted as there are times when we might be overstocked on just the items you wish to purchase.

HOW TO ORDER. Make out your order carefully on the order blank enclosed. Write names of varieties plainly, showing accurately the number of trees wanted in each. State plainly how you want stock shipped—give name of your Freight or Express Office and your own P. O. Address with street and number or R. F. D. number. When specific instructions are not given we shall use our best judgment.

NOTE:—On large orders where instructions are given to ship by Express, an allowance for transportation charges will be made equal to amount of usual freight charges to same point.

ORDER EARLY. Sales this year are very heavy, especially on many of the most desirable commercial varieties. Send your order at once, that we may reserve your stock and make early Spring shipment.

KEYSTONE QUALITY APPLES

Propagated from select strains of bearing trees on imported seedlings by Keystone's Improved Method of keeping the union protected from water and dirt by scientific wrapping and waxing.

All guaranteed strictly 1st class. 2 yr.
